ALMOND CRACKING LINE

**MODEL
SA 418**

Our complete almond-processing line model SA 418 is a cost-effective solution, ideal for small size companies or for new businesses in the dry nuts sector. It is consisted of a feeding elevator, a sheller, a cleaning sieve, a sorter, a volumetric, a storing silo and a manual sorting machine. Thanks to its excellent designing and operational philosophy, the efficiency of SA 418 is impressive.
